

# RUST EN VREDE

## STELLENBOSCH

### SINGLE VINEYARD SYRAH 2012

#### **Background**

Established in 1694, Rust en Vrede is proud to be part of a remarkable three hundred year old wine tradition. Since 1977 the Engelbrecht family has specialized in the exclusive production of red wine, with the focus on Shiraz, Cabernet Sauvignon and Merlot. Proprietor Jean Engelbrecht has worked to establish Rust en Vrede as one of South Africa's premium red wine estates, with full-bodied and complex wines that reflect the uniqueness of the Helderberg terroir.

<b>Variety:</b>	100% Syrah
<b>Appellation:</b>	Estate Wine, Rust en Vrede Stellenbosch
<b>Analysis:</b>	Alcohol – 15.23 vol% pH – 3.62 Acidity – 5.5g/l Res. Sugar – 2.1g/l
<b>Winemaker:</b>	Coenie Snyman

#### **Climate**

Mediterranean climate with  $\pm 650$ mm rainfall per annum. The Estate is located on the lower lying slopes of the Helderberg between 85m -130m above sea level. Vineyards are mostly situated on north facing slopes with a small portion on north-east and north-west facing slopes to create subtle nuances in aspect. Shielded from South Easterly winds by the Helderberg and Stellenbosch mountains, and from the South Westerly winds by the foothills of the Helderberg, Rust en Vrede is a warmer microcosm in the Helderberg area, which is why we specialize in reds, particularly Shiraz and Cabernet Sauvignon which lend themselves to full bodied wines with powerful structure.

#### **Vineyard**

The Single Vineyard is known as Block 7, which is produced the highest quality of Syrah on the Estate. The vineyard is north facing and consists of a mixture of decomposed Helderberg granite and Table Mountain sandstone, classified as Tukulu soil type with medium growth potential. The Syrah clone SH21A was grafted onto 101-14 rootstock and the vines planted in 1998. The vineyard is 2.3 hectares with 2850 vines per hectare. In 2011 this vineyard yielded 6 ton/ha. The grapes were harvested according to NDVI growth patterns in 3 sections on the 22<sup>nd</sup> and 24<sup>th</sup> of February and the 1<sup>st</sup> of March 2011 at 26.5 balling. The sections were vinified separately.

#### **Vinification**

Fermentation took place in open top fermentation vats for 7 days at 28°C, with the cap manually punched down 4 times a day. Fermentation is followed by 10 days maceration. Malolactic fermentation took place in oak barrels and the wine was matured for 18 months in 70% French oak and 30% American oak barrels. Fifty percent of the barrels used for maturation are new oak. 3050 bottles were bottled on the 2<sup>nd</sup> of October 2013. A further 12 months of bottle maturation took place before the wine was released in November 2013.

#### **Tasting Notes**

**Colour** – Deep Garnet **Aroma** – Floral aromas of jasmine and violets meld with Turkish delight and subtle hints of oak. **Palate** – Smooth and well balanced, offering ripe red fruit flavours and silky tannins.
